We would recommend members and guests to bring their own towels and water bottles as we won't be providing these services.

Upon arrival for your swim, swipe in as usual. Then you may use the changing room to get changed into your swimwear if social distancing protocol allows it. We would ask you to limit your time in the changing room as much as possible, to be fair to your fellow members. (We suggest arriving ready for your swim to reduce numbers in the changing rooms at any one time). The shower on the pool deck will be available for use to rinse off before and after your swim.

Upon arrival for gym you must swipe in and go directly into the gym. Gym users should only use the changing rooms to avail of toilet and hand washing facilities.

We are delighted to welcome all our members and guests back to us at the Riverside Leisure Club.
