TESTIMONIALS

Duffry Rovers GAA Club

We recently had our Dinner Dance at the Riverside Park Hotel in Enniscorthy. The staff were fantastic in both helping us organise the event and on the night itself. As a club, we couldn't have been happier with the night, from the layout of the room, ceiling lights in club colours and all of the staff - they were excellent! The food was delicious and the service for our 335 guests was second to none. We will definitely be back to the Riverside Park Hotel for future club events and have already booked our Strictly Come Dancing Club Fundraiser later this year!

Davidstown/Courtnacuddy GAA Club

In February 2024, Davidstown Courtnacuddy GAA Club held our Strictly Come Dancing fundraiser in the Riverside Park Hotel, Enniscorthy. It was a tremendous success, on all fronts.

The contribution of the Riverside Park Hotel's management and staff to this success was remarkable. From the beginning, they were so obliging and easy to work with, offering solutions to problems and removing barriers.

On the day of the event, we moved, en masse, to the Function and other ancillary rooms in the hotel, where teas, coffees, water, and food were supplied to us all day. As the event was about to begin, the ambience and atmosphere in the function room, the furniture layout, the lighting, all created huge excitement. All through the evening and afterwards at the cleanup the Staff left no stone unturned to assist us. Any third party contractors we had on the night would echo this sentiment. We raised €78,000 on the night and will be forever grateful to the management and staff of the Riverside Park Hotel.
